

YEARLY STATUS REPORT - 2020-2021

Part A	
Data of the Institution	
1.Name of the Institution	BHOJIA DENTAL COLLEGE AND HOSPITAL
• Name of the Head of the institution	DR. TARUN KALRA
• Designation	PRINCIPAL
• Does the institution function from its own campus?	Yes
• Phone No. of the Principal	9815539400
• Alternate phone No.	01795244721
• Mobile No. (Principal)	9815539400
• Registered e-mail ID (Principal)	bhojiadental@gmail.com
• Alternate Email ID	principalbhojiacollege@gmail.com
• Address	Chandigarh - Nalagarh Road, Village - Bhud, Teh. - Baddi, Distt. - Solan
• City/Town	Bhud, Baddi
• State/UT	Himachal pradesh
• Pin Code	173205
2.Institutional status	
• Affiliated / Constitution Colleges	Affiliated
• Type of Institution	Co-education

• Location	Rural												
• Financial Status	Private												
• Name of the Affiliating University	ATAL MEDICAL & RESEARCH UNIVERSITY, Mandi												
• Name of the IQAC Co-ordinator/Director	Dr. GEETA KALRA												
• Phone No.	01795244721												
• Alternate phone No.(IQAC)													
• Mobile No:	9814539400												
• IQAC e-mail ID	bhojiadental@gmail.com												
• Alternate e-mail address (IQAC)													
3.Website address (Web link of the AQAR (Previous Academic Year)	www.bhojiamededu.com												
4.Was the Academic Calendar prepared for that year?	Yes												
• if yes, whether it is uploaded in the Institutional website Web link:	https://dental.bhojiamededu.com/Academic-Calendar												
5.Accreditation Details													
<table border="1"> <thead> <tr> <th>Cycle</th> <th>Grade</th> <th>CGPA</th> <th>Year of Accreditation</th> <th>Validity from</th> <th>Validity to</th> </tr> </thead> <tbody> <tr> <td>Cycle 1</td> <td>B</td> <td>2.38</td> <td>2016</td> <td>16/12/2016</td> <td>15/12/2021</td> </tr> </tbody> </table>	Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to	Cycle 1	B	2.38	2016	16/12/2016	15/12/2021

Cycle 1	B	2.38	2016	16/12/2016	15/12/2021								
6.Date of Establishment of IQAC	02/01/2017												
7.Provide the list of funds by Central/ State Government-UGC/ICSSR/ IUCTE/CSIR/DST/DBT/CPE of UGC/PMMMNTT etc.													
<table border="1"> <thead> <tr> <th>Institution/ Department/Faculty</th> <th>Scheme</th> <th>Funding agency</th> <th>Year of award with duration</th> <th>Amount</th> </tr> </thead> <tbody> <tr> <td>Nil</td> <td>Nil</td> <td>Nil</td> <td>Nil</td> <td>Nil</td> </tr> </tbody> </table>	Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount	Nil	Nil	Nil	Nil	Nil			
Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount									
Nil	Nil	Nil	Nil	Nil									
8.Whether composition of IQAC as per latest NAAC guidelines	Yes												

<ul style="list-style-type: none"> • Upload latest notification of formation of IQAC 	View File
9.No. of IQAC meetings held during the year	5
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes
<ul style="list-style-type: none"> • (Please upload, minutes of meetings and action taken report) 	View File
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No
<ul style="list-style-type: none"> • If yes, mention the amount 	
11.Significant contributions made by IQAC during the current year (maximum five bullets)	
COVID - 19 Vaccination Centre made functional	
QCI inspection approved for ECHS empanelment	
Hostel improvement project	
Upgradation of internet facility	
Initiation of NABH accreditation	
12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year (web link may be provided).	

Plan of Action	Achievements/Outcomes				
All students, faculty and paramedical staff to be vaccinated for against COVID - 19	Successfully completed vaccination of all.				
To get ECHS empanelment	QCI inspection cleared as part of ECHS empanelment.				
Hostel improvement project	More than 30 rooms with attached toilets constructed				
Upgradation of internet facility	Internet speed increased from 10 MBPS to 100 MBPS				
Initiation of NABH accreditation	Documentation and process of NABH started				
13. Whether the AQAR was placed before statutory body?	Yes				
<ul style="list-style-type: none"> Name of the statutory body 					
<table border="1"> <thead> <tr> <th>Name</th> <th>Date of meeting(s)</th> </tr> </thead> <tbody> <tr> <td>Management</td> <td>03/02/2022</td> </tr> </tbody> </table>		Name	Date of meeting(s)	Management	03/02/2022
Name	Date of meeting(s)				
Management	03/02/2022				
14. Does the Institution have Management Information System?	Yes				
<ul style="list-style-type: none"> If yes, give a brief description and a list of modules currently operational 					
<p>The college has a well organized management information system in place with well defined roles. The Principal under the guidance of the Management provides the leadership of our college. The management has clearly stated the vision and mission of the college. There are various administrative sections of the institute like central accounts, human resource, admissions, dental records department etc. These sections have been computerized for effective and easy operations. . The time to time goals and strategies put forth by the Principal steer the college to maintain and enhance excellence in all endeavours of teaching, learning, research and community service. The Principal heads the academic council of the institute, in which all the heads</p>					

of the departments are members. The Principal ensures that all provisions of the DCI and Atal Medical and Research University, Mandi guidelines are strictly adhered in the institute. The Head of departments along with other staff members look after the day today working of the department including academics, clinical work, patient wellness etc. There is special officer to look after the smooth sailing of the patient treatment work and appointments. The maintenance, financial, purchase, extracurricular activities all are taken care by respective committees which report the same to principal and the same is discussed with management. Welfare of the paramedical staff and other employees is also taken care of by respective incharges and the same is discussed with management through proper channel.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum planning, delivery and evaluation through a well defined process as prescribed by the respective regulatory councils and the affiliating University.

The session 20- 21 was filled with lots of uncertainties due to corona pandemic. In spite of the challenges, the institute ensured an effective curriculum planning, delivery and evaluation following a well-defined process as prescribed by the new medical university i.e. ATAL MEDICAL AND RESEARCH UNIVERSITY, MANDI, Himachal Pradesh along with the Dental council of India. Online lectures were taken and video demonstrations of practical exercises were provided to the students during the first and second lockdown. The examination although delayed due to pandemic, were carried out fairly and effectively following the guidelines of DCI and university.

The postgraduate program continued and Post graduate students continue to work as front-line workers in the first and 2nd lockdown starting from May June 20 onwards.

The curriculum committee held meetings online during first lockdown and started offline from November 20 onwards and ensured that all the regulation of local statutory bodies were followed while keeping in view the curriculum requirements and student welfare.

1.3 - Curriculum Enrichment

1.3.1 - The Institution integrates cross-cutting issues relevant to gender, environment and sustainability, human values, health determinants, Right to Health and emerging demographic issues and Professional Ethics into the Curriculum as prescribed by the University / respective regulative councils

Bhojia group of institutions believes in integrating values related to environment and society in its students. A number of prospectus and initiations were taken in this period of year 2020-2021 as well.

Bhojia Dental College & Hospital (BDCH), Baddi, in its Vision Statement has clearly mentioned that it focuses on preparing students to be the worthy citizens of the Global Society, which is possible only through developing an all-round personality of the students without angularities. Therefore, it is required to make the students aware about various burning societal issues as a part of the curriculum.

Health Determinants and Right to Health Issues are essentially covered through Community Postings of the students as a part of their curriculum. While undertaking these kinds of activities, they come to know about the real-life problems and sufferings of the people for which they look for better and economical solutions as part of their learning.

BDCH, Baddi, has identified Gender Champions among the students who work for creating an enabling environment for equal opportunities for boys & girls. BDCH, Baddi, has nearly 60% of Women Students and more than 50% of Women Faculty on its roll, which is very healthy in terms of gender balance. All teams, which are formed for organizing various activities, consist of both male and female students to enable them to respect the dignity of fellow colleagues with care and regards without any gender bias. The esteemed institute also plays a prominent role in sensitising the concept of women's equality with emphasis on women empowerment. The gender sensitization of the students and workers is given priority on day to day basis. Celebration of women's day and skits on gender sensitization by students in their function were some of the relevant points in the year 2020-2021 as well.

The annual tree plantation drive as a way of giving back to mother earth was undertaken by plantation of more trees in our already green campus. there is a herbal garden in the college campus for sensitzation and usebystudents .

BDCH, Baddi has NSS unit fromfrom different disciplines. All these Volunteers while undertaking on-Campus and field activities focused

on health issues and they spread this message comprehensively. The concept of community lunch twice a year is part of the college calendar. Professional ethics lectures are a part of the curriculum and anti ragging lectures along with white coat ceremony help students instill values within them.

Blood donation camp, Vaccination Drive and regular dental check-up camps were a part of curriculum too. The college and hospital remained open in COVID times thus providing service to the society in such difficult times. The satellite units of the college provide dental service to the rural areas as well.

BDCH, Baddi, has established a Value Education Cell with the following objectives:

- To bring out humaneness in the students to establish harmony in the world.
- To enrich the character thus providing moral leadership on courage and intellectual integrity
- To highlight and emphasize the most important role that human values play in today's tech savvy world
- To curb the intensifying criminal instincts, drug addiction, anxiety, rage, suicidal tendencies and stress among the students

2.2.3 - Institution facilitates building and sustenance of innate talent /aptitude of individual students (extramural activities/beyond the classroom activities such as student clubs, cultural societies, etc)

The main focus of the institution is on academics, but at the same time due importance is given to extra-curricular activities. The college ensures that the students of the college participate in academic, sports and cultural activities inside and outside the college campus. When any national or state level invitation for academic / sports or cultural fest comes, the students are encouraged to participate in sports and cultural events. Various level championships won for the academic, sports and cultural events held are the proof of the excellence of the students.

Students participate in a variety of games inside the college campus, such as table tennis, football, cricket and badminton. The college organizes "Sports Week" and "Cultural Week" annually, in which all students and faculty are encouraged to participate whole-heartedly.

The college also has a well-maintained gymnasium. Students and faculties are free to use the facilities to increase their physical fitness. The development of a student as a whole is one of the principal of the institution, and the entire academic, extramural, sports and other activities enable one to attain all dimensions of personal, social, intellectual, emotional, physical and psychological development.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods are used for enhancing learning experiences by: Experiential learning Integrated/inter disciplinary learning Participatory learning Problem solving methodologies Self-directed learning Patient-Centric and Evidence-Based Learning Learning in the Humanities Project-based learning Role play

Experimental learning: The institute emphasis on ICT enabled student-centric learning and a holistic approach of value-based education not only improves their intellectual capabilities but also ensures their emotional, physical, spiritual and psychological well-being. Research integrated teaching is done to encourage research culture.

Integrated/interdisciplinary learning: Presentations like orthognathic joint clinical meeting, clinical society meeting, medical and clinical forum are conducted.

Problem solving methodologies: The faculty act as facilitators and students develops critical thinking skills for diagnosis, differential diagnosis, treatment planning and treatment.

Self-directed learning: The advanced learners are encouraged to assist slow learners. The students are given case presentations, problem based projects and home assignments.

Patient-centric and Evidence-based learning: Students are taught in clinical subjects based on patient-centric methods. Evidence based dentistry is taught and practised for knowledge enhancement.

Learning in Humanities: Co-curricular activities are conducted to nurture creative skills. The goal of the institution is not only to encourage academic excellence but also imparting moral and ethical values. This is achieved through advice from faculty, guest lecturers and experiential learning.

Project-based learning: Clinical innovations to nurture their creativity and thinking skills are encouraged.

Role Play: Three-dimensional models are shown before explaining works. Simulations/mannequins are used in the preclinical work.

2.3.3 - Teachers use ICT-enabled tools for effective teaching and learning process including online e-resources

All the faculties of the institution use ICT-enabled tools for effective teaching and learning process. These include online study materials and e-resources. Delivery of knowledge is through chalk and blackboard, power point presentations and 3D simulation based models. Wi-Fi facility is provided for free to all teachers as well as students. All lecture halls are enabled with smart-boards, computer, internet and audio-visual aids for effective learning of students. All clinical departments have individual seminar hall with projector facility which enables micro-teaching. All teaching faculty of the college are well trained in use of ICT-enabled tools. Clinical procedures are taught to students with the help of various e-learning sources and through animated as well as clinical videos. Special surgical procedures which are done in the clinical departments are streamed live to the lecture halls for learning recent advances in the particular topic. Regular monitoring and feedbacks of all such activities are taken and amendments are made for future programs.

2.3.5 - The teaching learning process of the institution nurtures creativity, analytical skills and innovation among students

The innovative posters and three-dimensional models are made by the students under the guidance of faculty. For better focussing and understanding, the lecture classes are timed up to 1 hour and micro-teaching are promoted in the respective department. The preclinical students are unaware of the reasons for learning basic subjects and feel it tedium. To ease this situation, they are permitted to visit clinical departments in small batches and acquaint themselves with clinical procedures. They present clinical innovations in scientific conferences. The students are encouraged by the faculty to participate in debates on controversial topics. The Institutional Ethics Committee scrutinize all projects conducted in the institution. All students present their scientific presentations to be presented in conferences before the Institutional ethical committee; this process ensures the high standard and quality of the same. Students are guided to take up short projects in the central research laboratory which is well monitored by the department faculty as well as by the research centre. Students are guided to

use ICT facility to present seminars and do journal discussions. Students are encouraged to participate and present in state, national and international conferences to present scientific paper and posters under the guidance of faculty members.

2.5 - Evaluation Process and Reforms

2.5.1 - The Institution adheres to the academic calendar for the conduct of Continuous Internal Evaluation and ensures that it is robust and transparent

The calendar of events is made available to all stakeholders before commencement of calendar year. It gives academic directions and provides set of strategies for accomplishing the academic mission of the college. The calendar lets students plan and do their assignments, projects and prepare for exams. The time table is so spaced that all students can participate in co-curricular and extra-curricular activities like sports, cultural and academic competitions. This ensures a proper balance between academics and other activities. The performances of all students admitted to the

course are evaluated internally on a continuous basis. Evaluations are made in form of Written Test, Clinical Examination, Practical Examination and Viva-voce. Question papers are prepared by the concerned respective faculties with due consideration to the uniform representation from all topics of the syllabus. All internal examinations are conducted and evaluated in an un-biased manner by the concerned department faculties. After all internal examinations, board meeting and parent teacher meetings are held to evaluate the progress of each student. The institution ensures that seminars, workshops, clinical society meeting, academic meetings, conferences, special lecturers, remedial classes and coaching classes are fit in the calendar of events and it does hinder with the regular classes.

Any other relevant information	Nil

2.5.2 - Mechanism to deal with examination-related grievances is transparent, time-bound and efficient. Provide a description on Grievance redressal mechanism with reference to continuous internal evaluation, matters relating to University examination for submission of appeals, providing access to answer scripts, provision of re-totaling and provision for reassessment within 100 - 200 words

Though the final exams are conducted by the affiliated university who also provides the marks card and degree certificate, the institution ensures the process of the same to be smooth and effective. The exam cell ensures that the internal marks are sent to university through the university web portal for the institution. Before the final university exams, the students obtain work completion certificate for all concerned departments, which in turn is submitted to the concerned batch coordinators who report to the head of the institution and to the governing council. After no-due the students pay the exam fees and submit examination forms. The payment of exam fees, uploading exam application forms and obtaining hall tickets are streamlined online and completely monitored by the administrative office members along with the batch coordinators. Faculty members are assigned exam duty and the whole process is conducted meticulously and in disciplined manner. The college appoints office staff to obtain marks results, marks card and degree

certificate from the university. College have also appointed faculty representatives to university who addresses grievances related to exams. The office staffs and representatives to university help the students to rectify and set right any difficulties related to university exams.

File Description	Documents

Number of grievances regarding University examinations/ Internal Evaluation	View File
Any other relevant information	No File Uploaded

2.5.3 - Reforms in the process and procedure in the conduct of evaluation/examination; including the automation of the examination system. Describe the reforms implemented in internal evaluation/examinations with reference to the following within 100 - 200 words Examination procedures Processes integrating IT Continuous internal assessment system Competency-based assessment Workplace-based assessment Self assessment OSCE/OSPE

The final exams are conducted by the affiliating university. Internal marks are integral part of result and it is necessary for every student to attain a certain percentage of marks. The internal marks are awarded after assessing student's performance in monthly tests, internal exams, assignments, attendance, class participation and involvement in college activities. Three sets of question papers are prepared and submitted to the exam cell and one question paper is secretly selected by the exam cell based on choice based system. Other than regular internal assessment monthly test, end-posting exams, micro discussions are conducted. All examinations are conducted in the examination hall under strict surveillance by faculty members as well as by close circuit cameras and signal jammers. A board meeting is conducted by the governing council along with all head of departments at end of every internal exam and before the final university exam. In this meeting, the internal marks awarded to students are discussed. The same council make decisions regarding the parameters of distribution of marks based on university guidelines and suggestions regarding awarding of marks to students. The decision of the same are communicated to all faculty members which ensures uniform assessment of students.

2.6 - Student Performance and Learning Outcomes

2.6.1 - The Institution has stated the learning outcomes (generic and programme-specific) and graduate attributes as per the provisions of the Regulatory bodies and the University; which are communicated to the students and teachers through the website and other documents

The syllabus of each program is prepared by the affiliating university that is uploaded on the website and communicated to the students. The departments ensure that these program outcomes. The course description includes course syllabus, reference books, timetable, course objective, course outcomes daily teaching plan, delivery methodologies and assessment methods. Course description provides students an insight on how classes are to be handled and expected outcomes from the students by learning through the topics prepared by the respective faculty members. Learning in the institution is in the form of demonstrations, small group

discussions, seminars, clinical work and continuing educational programs. The progression from pre-clinical to clinical phase is smooth as the course and curriculum as designed so. A dept library with all facilities for reading and studying is provided to all. Audio-visual aids, computer assisted learning aids and internet facilities enable students to plan and learn comprehensive treatment modalities with its recent advances. Continuous educational programs and clinical training programs are conducted at regular periods to upgrade the knowledge as well as sharpen the clinical skills. Every year one internal exam and various class tests are held for assessment of academic, diagnostic, comprehensive treatment planning and clinical skills.

2.6.3 - The teaching learning and assessment processes of the Institution are aligned with the stated learning outcomes. Provide details on how teaching learning and assessment processes are mapped to achieve the generic and program-specific learning outcomes (for each program) within 100 – 200 words

Each course outcome of individual courses are assessed with respect to the attainment level. The attainment level is judged based on the student average performance in the internal and examination reflected in the results analysis. Attainment is measured in terms of actual percentage of students getting a set percentage of marks. If targets are achieved, then all the course outcomes are attained for that year and the program is expected to set higher targets for the following years as a part of continuous improvement. If targets are not achieved then an action plan is put in place to attain the target in subsequent years. Course outcomes are measured based on the individual marks obtained by the students against the maximum marks. Every subject faculty will set a target to achieve. If the entire class crosses this target, the particular course outcome is attained. The Program outcomes, program specific outcomes and course outcomes are assessed through the success rate of students in internal assessments, university exams, ability to handle situations and being employed as per skills.

2.6.4 - Presence and periodicity of parent-teachers meetings, remedial measures undertaken and outcome analysis. Describe structured mechanism for parent-teachers meetings, follow-up action taken and outcome analysis within 100 - 200 words

A Parent-teacher meeting is organized after internal examination. The students can also check their evaluated papers if they wish to. If and only if no issues are raised by the students, the marks are forwarded to the exam cell. After every internal examination marks are sent to parents from the exam cell. One date is fixed after the exams for the meeting, each day for a year. Parents coming on the concerned day, meet the concerned department coordinator along with the student ward to discuss the marks and issue pertaining to academics. The parents and their wards are free to discuss any issues that is hindering with the academics and remedial measures are discussed with the parents. After each internal exam, slow learners are identified and extra-focus is given to them. The students are given complete freedom to discuss and express any issues and problems that they face which includes language, emotional distress and academics. Once the issues and problems are identified and understood, the students are empathetically taken care. Mentoring system in place ensure the identification of problems that a student face which affects the academics and remedial measures are initiated to overcome the same.

3.2 - Innovation Ecosystem

3.2.1 - The Institution has created an ecosystem for innovations including Incubation Centre and other initiatives for creation and transfer of knowledge. Describe the available Incubation Centre and evidence of its functioning (activities) within 100 - 200 words

College campus has a designated covid-19 vaccination centre, where people can enroll themselves either by on-site preregistration in advance or through online portal (Cowin). The vaccination centre is under the direct supervision of the Nodal Officer. The team comprises of five members;

1. Team Leader (necessarily a Doctor)
2. Vaccinator
3. Vaccination Officer 1 for Co-WIN registration and/or verification of beneficiary
4. Vaccination Officer-2 and 3 for crowd control, assistance to vaccinator, ensuring 30 minutes observation of beneficiaries following vaccination for any AEFI and any other support.

There is a facility of Advanced Life Support ambulance/Basic Life Support ambulance/transport vehicle and special arrangements are present to facilitate entry and exit of elderly and differently abled citizens including provision of wheelchair, seating arrangement, drinking water and toilet facilities.

3.4.3 - Number of awards and recognitions received for extension and outreach activities from Government / other recognised bodies during the year. Describe the nature and basis of awards /recognitions received for extension and outreach activities of the Institutions from Government /other recognised bodies during the year within 100 - 200 words

Bhojia Dental College and Hospital conducts multiple extension and outreach activities on various social issues. Baddi being a majorly industrial area, the institute actively conducts dental checkup camps in various industries. These camps not only create awareness regarding oral health amongst the industrial workers but also urge them to take the required treatment on time. A number of such camps have been organized in various industries and schools in the surrounding area. Letters of appreciation have been presented by the heads of these industries for conducting these camps. Also, letters of appreciation have been given by various school heads for dental check up camps.

3.4.4 - Institutional social responsibility activities in the neighbourhood community in terms of education, environmental issues like Swachh Bharath, health and hygiene awareness and socio-economic development issues carried out by the students and staff during the year. Describe the impact of extension activities in sensitizing students to social issues and holistic development within 100 - 200 words

Alfred Adler has rightly said; "The only worthwhile achievements of man are those which are socially useful" with this background the Bhojia Dental College & Hospital (BDCH, Baddi) strongly believe that "The Youth of today will become a promising Adult of tomorrow". Hence, the institution abides by the idea of making sensible and responsible citizen, for this BDCH, Baddi, has undertaken and executed various social activities such as:

1. Organizing Free Camps- With a motto of "Oral Health For All" by implementing affordable, accessible oral health care, BDCH, Baddi in collaboration with various Govt./ Non-Govt. bodies regularly organize free screening/treatment camps on regular basis targeting general public, school children and special groups including vulnerable sections of the society.

2. Satellite Clinic in Rural Area: In order to provide services through "Reach Through Out Reach" approach, the institute has established 2 satellite clinics.

3. Oral & General Health Awareness Programs & Celebration of Special Days:

4. Blood Donation Camps Organization:

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc. Describe the adequacy of facilities for teaching-learning viz., classrooms, ICT-enabled classrooms, seminar halls, facilities for clinical learning, learning in the community, Teleconferences, AYUSH-related learning cum therapy centre, well-equipped laboratories, skills labs etc. as stipulated by the appropriate Regulatory bodies within 100 - 200words

BDCH has five classrooms with ten high-tech laboratories. There are

seven air-conditioned seminar halls, lectures theaters along with LCD facilities and one video centre, available in the institute. There is a dedicated team of IT personnel, who periodically inspect and ensure regular maintenance of the IT facilities. A separate seminar hall along with LCD projector has been provided to each department departmental seminars, lectures, case presentations and journal clubs.

An auditorium with a seating capacity of 300 students helps in smooth organization of the CDE programs, guest lectures, examinations & IDA events etc. in the college campus. BDCH has well-equipped laboratories in house with all the necessary equipment's e.g. Pre-clinical laboratories, Anatomy Cadaver Hall, Basic Biochemistry Lab, Microbiology Lab, General Pathology specimen Hall, Pharmacology Lab, Oral Pathology lab, Oral Histology Lab and Pre-clinical work area. The prime facilities available in the esteemed institute are Pre-clinical Prosthodontics Lab with phantom head models, Pre-clinical conservative dentistry lab with phantom head model, research lab for basic research & advanced central and departmental library. In addition to this, ceramic lab, acrylic lab and casting lab are also available, for laboratory based clinical procedures such as fabrication of crown bridges and other dental prosthesis.

4.1.3 - Availability and adequacy of general campus facilities and overall ambience: Describe the availability and adequacy of campus facilities such as hostels, medical facilities, toilets, canteen, post office, bank, roads and signage, greenery, alternate sources of energy, STP, water purification plant, etc. (within 100 - 200 words)

BDCH has four UG/PG hostels, out of which three are dedicated to girls and one for boys with all accommodation capacity of 500 students. The room includes single to triple seater (Ac/non-Ac) with attached washrooms. Hostels are well-equipped with LED/magazine/newspapers. Similarly, the campus also provides basic gym facilities along with free Wi-Fi. The academic blocks and the hospital buildings also have canteen facility. BDCH provides basic medical check-up facilities and has its own ambulance with emergency

facilities. The college organizes free oral health and other health related routine check-ups in rural areas and elsewhere. Academic block has conference hall for conducting various events. Both academic and hospital block is well equipped with separate toilet facilities for male and female patients, staff and students. BDCH follows proper safety protocols. This can be proved taking example of a fire extinguisher which has been installed inside the campus with proper signages along with an emergency exit door for the safe extraction. There are 2 ATMs; namely, ICICI and HDFC bank ATM. BDCH is well connected with NH21A for easy transportation.

Solar Panel having 100 KW capacity have been installed along with power backup which provides twenty-four hours uninterrupted electricity supply.

4.2 - Clinical, Equipment and Laboratory Learning Resources

4.2.1 - Teaching Hospital, equipment, clinical teaching-learning and laboratory facilities as stipulated by the respective Regulatory Bodies. Describe the adequacy of the Teaching Hospital, equipment, clinical teaching-learning and laboratory facilities as stipulated by the respective Regulatory Bodies within 100 - 200 words

Before subjecting the students to actual patient care, they are trained in the simulated environment, which helps them to not only learn academics but also develop clinical skills and ethics. All the

lecture theatres, laboratories, demonstration halls are equipped with ICT facilities like projectors with state-of the-art facility to project live images, which helps in effective demonstration and teaching in a large group. Research lab, serology lab, haematology lab, microbiology lab, pathology lab, biochemistry lab, and histology lab are functional in the institute. The institute also provides embalming facility for cadaver. BDCH also provides proper dental radiological section with OGP, dental X-Ray unit machine and RVG equipment's. The clinical teaching utilizes principles of simulation based, problem based and evidence-based learning. Clinical teaching is carried out in small groups. Case based discussions with faculty helps in enhancing practical skills of the students. Seminars and tutorials using Audio Video facilities help in further clarification of the concepts. In order to promote the practice of evidence-based medicine, each department organizes journal clubs/seminars/group discussion/case presentation as part of the undergraduate as well as postgraduate teaching programme. The post graduate and research projects are primarily targeted at developing an evidence-based management of patients.

4.3 - Library as a Learning Resource

4.3.1 - Library is automated using Integrated Library Management System (ILMS). Describe the Management System of the Library within 100 - 200 words

BDCH has well-stocked central and departmental libraries covering various domains of higher education with specific emphasis on quality in higher education and accreditation. BDCH library system is embellished with more than 4814 books, 713 references books, 463 e books, 734 e journals and various national as well as international printed journals. Apart from this, audio-visual media is also present comprising of 304 CDs for supporting student learning. The library maintains an online repository from where students can get access to e-books and questions papers from last five years. Electronic surveillance within library is maintained. The integrated library management system (ILMS) software has been installed is known as 'CALIBRE', partially automated, since 2019. Calibre is an e-book manager it organizes existing e-books into virtual libraries, displaying, editing, creating and converting e-books, as well as syncing e-books with a variety of e-readers. Central Library is equipped with ten nos. of Computers, one printer with scanner, one photocopy machine, internet and wi-fi facility. The students are also provided with last 10 years previous question paper bank for the examination preparation purpose to upgrade themselves regarding recent trend of current exams.

4.3.2 - Total number of textbooks, reference volumes, journals, collection of rare books, manuscripts, Digitalized traditional manuscripts, Discipline-specific learning resources from ancient Indian languages, special reports or any other knowledge resource for library enrichment

The library is a place which supports and enables quality improvements in academic and institutional performance. The entire collection of books, journals and thesis is organized into various sections in the library. The library is updated annually for books and journals based on the curriculum and annual budget. The books cover all the dental specialties and basic medical sciences. Currently there are 4814 text books, with additional 713 reference books. In addition to books there are 463 e-books & 734 e-journals. The journals cover all the dental and allied specialties comprising of 29 print journals. Apart from this, audio-visual media is also present comprising of 304 CDs for supporting student learning. Library is well stocked with collection of thesis work since the inception of PG teaching. The students are also provided with last 10 years previous question paper bank for the examination preparation purpose to upgrade themselves regarding recent trend of current exams.

4.3.5 - In-person and remote access usage of library and the learner sessions/library usage programmes organized for the teachers and students (data for the academic year) Describe in-person and remote access usage of library and the learner sessions/library usage programmes organized for the teachers and students data for the preceding academic year within 100 - 200 words

There is a separate common room for students and staff to read library books and journals pertaining to recent advances in dentistry. PG students are permitted to judiciously utilize the journal section for acquisition of journals and reference books by registering their name in the respective registers. Remote access is also available in both the college campus as well as hostel campus to refer various e-journals from selective dental databases. The database used for facilitating e-content is DVL Dental. A partially integrated Library Management System (ILMS) called Calibre is functional in the institution. Faculty and students can access login via the weblink <http://10.10.10.7/libms>, using a username and password. DVL Dental is the database used for facilitating e-

content. The weblink for DVL dental is <https://dvl dental.com/Account/Login>.

4.4.2 - Institution frequently updates its IT facilities and computer availability for students including Wi-Fi . Describe computer availability for students and IT facilities including Wi-Fi with the date(s)

and nature of updation within 100 - 200 words

There are 50 computers/laptops available with latest configuration of DELL, HP, ACER (Intel Core i5, Core i3), Servers & SAN Storage, surveillance system and networking devices including switches, routers. The computers, scanner, photocopier, LCD and printers have software installed and updated timely with licensed agreements. LAN connections in all the computers and LCD projector installed with white board in all lecture halls. LCD Projectors are installed in all lecture theatres and PG departments for seamless academic teaching. The maintenance of ICT facility is reviewed every month by professional IT Manager. The available bandwidth of internet connection in the Institution is at 100 mbps by fibre optic internet which makes the entire campus under wifi coverage. BDCH has 12+ TP link/D-link switch/router and 20+ KM fibre backbone are installed for seamless connectivity. The campus is under 24 hours CCTV surveillance system of HiK vision/CP Plus and 102+ cameras are installed for safety and security purpose. Moreover, BDCH also has four electronic podium, eight cordless mike system, four mike system and five LCD's for smooth conduction of lectures, CDE programs and other academic activities. Biometric attendance system is fully functional in the campus for regular attendance of faculty and PG students.

4.5.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports facilities, computers, classrooms etc. Describe policy details of systems and procedures for maintaining and utilizing physical and academic support facilities within a maximum of 100 -200 words.

The maintenance team periodically inspects the physical facilities and track the updating of physical facilities. There is an AMC (Annual Maintenance Contract) for equipment's such as compressor, fire hydrants, dental chairs and OPG machine etc. However, the maintenance of equipment in any department is the responsibility of respective departmental heads who are provided with imprest money for small repairs of the instruments at their own level. Any equipment which is not working is firstly inspected by technicians and if it is beyond repair at the local level, the manufacturer/supplier is contacted through the Manager (Materials). Manager (Materials) along with its team also takes care of the maintenance of hospital equipments, photocopiers, ACs and other sophisticated equipments(water filters) by annual maintenance contract. The maintenance of instruments and other infrastructure facilities follows systematic procedures. If there is any repair/ damage of the instruments, building, or other basic facilities, one of the staff from that particular department has to submit an application to the Principal through proper channel. These applications are placed in committee meeting for discussion and the applications are forwarded to the maintenance department. Maintenance department will consider the approved applications and

depute the concerned personnel for necessary action.

5.1.4 - The Institution has an active international student cell to facilitate study in India program etc., Describe the international student cell activities within 100 - 200 words

Evolving as a leader in higher education, Bhojia dental college has customized the admission procedure, fee structure and all allied services for foreign students. This attracts foreign students who take up the benefit of an array of programs across nine different disciplines to choose from.

The goal is to encourage students from all over the world to join the college in their professional academic voyage and become scholars in their respective fields. Students from foreign countries

are generally admitted at the beginning of the academic session.

Various support services provided by the International student cell:

- Conducting orientation programs to familiarize enrolled students regarding the programs offered, fee structure, eligibility criteria, legalities and policies of the college affiliated with Atal Medical and Research University (AMRU).
- Monitoring the academic performances of the students by coordinating with mentors and to communicate with guardians/parents regarding progress of the student once in every six months.
- Monitoring the payment of fees for the academic program and other services opted for on camps.
- Support and assistance for visas and related immigration process, if necessary.
- Conducting orientation and events to encourage social and cultural adjustment
- Counselling and special tutorials to facilitate understanding of local language.

5.3.2 - Presence of a Student Council, its activities related to student welfare and student representation in academic & administrative bodies/ committees of the Institution. Describe the Student Council, its activities related to student welfare and student representation in academic & administrative bodies /committees of the Institution within 100 - 200words

- College creates a platform for the active participation of the students in the various academic administrative bodies including other activities. This empowers the students in

gaining leadership qualities, rules, regulations and execution skills.

STUDENT COUNCIL • Student council has been formed to enhance leadership skills and for overall development of the students. • Student council is headed by a Student President and has various extra-curricular societies under it like: a) Hostel Committee b) cultural committee c) Mess committee d) Sports Committee. Student Council (SC) representatives actively participate in various activities and help in coordinating all the events related to academics and other co-curricular extracurricular activities, as per the directives of teaching faculty. They work as a medium between faculty and students. Contribution of the Student Council 1. Coordination in communicating the information between students and Teaching faculty. 2. Coordination in conducting special events like Sports day, PG day, Teacher's day etc. It encourages the students to develop their leadership skills through these activities. Also, Monthly meetings are conducted between the management and student representatives to gather their valuable feedback which is helpful in development of the institution.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The Institution has clearly stated Vision and Mission which are reflected in its academic and administrative governance. Describe the Vision and Mission of the Institution, nature of governance, perspective plans and stakeholders' participation in the decision-making bodies highlighting the activities leading to Institutional excellence.

VISION

To excel in value based dental education, healthcare, research and technology of global standards enriched with quality, contributing to national development. Provide the best learning experience and support the new generation of Dental professionals to meet the emerging challenges by learning the latest in the field of dental health care.

MISSION

To provide value-based student centric, community oriented, flexible dental education with continuous evaluation. Ø To achieve, sustain and further enhance quality dental education providing access with thrust of equity, involving stakeholders. Ø To offer modern affordable dental care. Ø To encourage innovative collaborative basic research to benefit the community and enabling the industry to produce cost effective equipment and drugs. Ø To develop a distinctive centre of excellence for learning all aspects of dentistry that will generate dental professionals of global standards to render high quality dental care, teaching and research, with an integrated and ethical approach in quest of oral health care for all. Ø To stimulate invention of indigenous technology and to promote technology transfer and optimal utilization of available contemporary technology for teaching, training, healthcare and

research. Ø To develop strong community relationships through services and research.

6.1.2 - Effective leadership is reflected in various Institutional practices such as decentralization and participative management. Describe the organogram of the college management structure and its functioning system highlighting decentralized and participatory management and its outcomes in the Institutional governance within 100 - 200 words

As a matter of decentralisation and encouragement of faculty and students to participate in decision making, the institute encourages faculty and students to actively engage in various committees formed. All committees are encouraged to plan for the respective areas of activity. Faculty and students representatives are encouraged to express their ideas, plans and suggestion to arrive at necessary decision. The institute as a governing body headed by the chairman and it recommends processes and systems to be implemented for the institute to excel in the field of dental education.

In Bhojia Dental College, Baddi, a decentralized model of organizational structure is demonstrated, emphasizing the roles of participatory management in all operational process with effective communication that brings stability to the organization.

The organizational structure of the institution has been formulated in a clear manner indicating the

hierarchical order that is to be followed. The organogram of the institution depicts the decentralized and participative management processes that are practised by the institution. Implementation of the curriculum, Internal Assessment, Sports and Games, examinations, cultural activities, dental camps, and admissions are areas where participative management and decentralization are extensively administered.

6.2 - Strategy Development and Deployment

6.2.1 - The Institutional has well defined organisational structure, Statutory Bodies/committees of the College with relevant rules, norms and guidelines along with Strategic Plan effectively deployed. Provide the write-up within 100 - 200 words

1. Governing body is the supreme policy-making and policy implementing mechanism of the college.
2. The college management discusses various aspects in detail and arrives at the necessary strategies and plans to keep up the quality of dental education in the institution.
3. The principal is the member secretary of the governing body.
4. The principal ensures that the institution follows all the statutes and regulations of DCI and provisions of the affiliated University.
- 5 The principal and all head of the department meet regularly to carry out academic and other administrative work.
6. The principal monitors the day-to-day administration of the college, plans and executes all academic policies and programmes in consultation with important committees.
- 7 The principal along with IQAC Coordinator forms several committees in the college namely Research committee, student welfare committee, Anti-ragging cell, woman empowerment cell, library committee, sports and cultural committee and reviews the overall functioning of each committee and initiates appropriate measures to enhance the quality of academic and administrative fronts.
8. The principal supervises regularly the performance of non-teaching staff.
9. The grievances of the teaching /non-teaching staff and the students are redressed appropriately to maintain an environment

conducive for learning.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

Welfare measures for Teaching Staff:

As an encouragement for the teaching staff, special incentives are given for publishing indexed international and national journals. Facilities, special travel allowances are also rendered for presenting scientific papers at National level conferences. Special cash prizes are awarded for the staff who guided prize-winning posters in national, international level posters. Every year the best teacher award for the finest teaching staff in every department and the academic excellence award for the senior staff in college for 10 years and more. The institute provides maternity leave as per the norms. PF provided for teaching staff involved in Teaching.

Welfare measures for non-teaching Staff:

The best outgoing administrative non-teaching staff award is in practice to encourage the non-teaching staff. The non-teaching staff and their families are benefited extremely by the ESI collaboration and regular camps conducted by the college. Institute provides maternity leave to the female staff according to the norms. Provident fund is provided for the non-teaching staff to increase their quality of life. Institute provides maternity leave to the female staff according to the norms. Free bus transport facility is provided for all the employees.

6.3.5 - Institution has Performance Appraisal System for teaching and non- teaching staff. Describe the functioning of the Performance Appraisal System for teaching and nonteaching staff within 100 - 200 words

The Appraisal form consists of a structured questionnaire which includes personal details like Bio data, Details of academic qualification, Research or training, publications, research projects carried out, Seminar conferences attended ,innovative methods in teaching, Participation in extension and community service and membership in professional bodies. The appraisal form will be collected from all the teaching staffs at the end of the academic year in each department. The HOD with their remarks will be forwarded to the Principal for the further action. The Principal will place these appraisal forms before the committee and necessary actions will be taken.

Similarly a different performance appraisal system is in practice for assessing the commitment, regularity and punctuality of the non-teaching staffs. The feedback is analyzed and the actions were taken by the feedback committee for their betterment and for introducing new reforms. The individual is also to provide information regarding his/her initiatives / innovative measures in teaching and clinical training. At the personal level he / she are to appraise their strengths and weaknesses. The staff needs to explain their future plans in terms of goals and their strategy for their achievements.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Human resources in Bhojia Dental College & Hospital, Baddi, are teaching staffs and non-teaching staffs like office staff, nursing staff, dental hygienist, dental mechanic, electrician, librarian, attenders, gardener, receptionist, medical records section staff, photographer, main store in-charge, canteen staff, hostel staff, pharmacy staff and housekeeping staff. Resource of money in the institute are student fee, hostel fee, course fee, conference fee, continuing dental education programs, library photocopying, pharmacy medicine, satellite clinics and patient treatment charges. Resource of money is utilised by paying salary to all teaching and non-teaching staff, purchasing dental chair, various equipment and instruments, dental materials, books, journals and medicine for the pharmacy and computers and various software like LMS, DMS. Resource optimization is done by preserving and maintaining the dental chairs, various equipment and instruments. Established of satellite clinics is one-time investments which has been utilised to optimize the income to the dental college. Thus, resource planning and optimization provides excellent evidence-based oral health education that prepares competent, ethical, and compassionate dental practitioners to meet the oral healthcare needs of community today and in the future.

6.4.2 - Institution conducts internal and external financial audits regularly. Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling any audit objections within 100 -200 words

The accounting of the college is computerized. This facilitates the accounting and auditing processes in a rigorous and reliable manner. The Audit Committee does internal audit on half-yearly basis. Internal audits are done on a regular frequency basis by the internal audit team deputed by the Trust Head Office.

Independent statutory auditors annually do the external audit of Finance and Accounts of the college. For auditing the accounts of the college, the Management has appointed an eminent firm of Chartered Accountants. The Audit is carried out based on the Internal and External audit procedures, which include analysis, vouching, verification, confirmation, Meeting with internal and external parties and other methods. The Auditor provides Audit report in Form 10B and Form 10BB as per Income Tax Act 1961. The auditors advise the college in the maintenance of book of accounts and practice maximization of financial resources

Points raised by the auditors are discussed with the top management of the college and compliance is ensured. There has been no adverse comment on the accounts by the auditors. Every year audit reports are filed with Income Tax department. Audit Reports of each year are placed with the financials of the respective year.

6.5 - Internal Quality Assurance System

6.5.1 - Institution has a streamlined Internal Quality Assurance Mechanism. Describe the Internal Quality Assurance Mechanism in the Institution and the activities of IQAC within 100 - 200 words

Bhojia Dental College, Baddi, has an IQAC that adopts a participatory approach in quality assurance. It is structured, comprising of the Principal as the chairperson, senior faculty members, administrative officer and members from management, students, local society, stakeholders and alumni. The objective of IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the

Institution. It also promotes measures for Institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices. The quality enhancement process is integrated with the roadmap for NAAC accreditation and aligned with DCI and Himachal Pradesh University, Shimla norms. IQAC ensures that the institution adheres to the norms laid down by the statutory bodies. Academic committee monitors the entire academic activities which includes following the syllabus and curriculum laid by the regulatory bodies, completion of assigned academic works, conduction of CIA, fulfilling the term days. Importance is given to facilitate ICT enabled teaching and steps are taken to Provide Support structure for the same. IQAC sees to the progress of the strategic planning to achieve the goal of conducting academic/ research/value- added programs in the specified timeline and Documenting the same.

7.1.2 - Measures initiated by the Institution for the promotion of gender equity during the year. Describe gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus within 100 - 200 words

Women are recognised and celebrated for playing various roles in

different spheres of life. A change is required to take a concrete step to help achieve gender parity more quickly - whether to help women to achieve their ambitions and flexible cultures or root out workplace bias. • 8th March, considered as International Women's Day cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honor. The females are specially given holidays on Raksha Bandhan, Karwa Chauth and Bhai Dooj

- There are separate toilets for the males and females.
- The hostel and mess facility for male and female students is separate
- There is separate sick room for the female students.
- In order to check for security CCTV cameras are installed.
- Security guards are deployed 24*7
- Counselling sessions are held for the students on monthly basis.
- Fully interactive inter departmental counselling sessions are conducted for PG students
- Counselling of the class IV employees for gender equality.
- There are different common rooms for male and female PG and UG students.
 1. Day care centre for young children
 2. Paid Maternity leave is applicable
 3. There is proper Grievance Cell and Sexual Harassment Committee

7.1.4 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 100 - 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

- **Solid waste management:** The College has its own compost producing ditches, where the waste generated from trees and garden area is used
- **Liquid waste management:**
- College campus has proper drainage system which is regularly cleaned by bleaching powder.
- **Biomedical waste management**
- Color coding Type of container are kept according to Waste categories

- **Yellow Plastic bags**

Category 1 human anatomical waste

Category 2 Animal Waste

Category 3 Microbiological Waste

Category 6 Solid Waste

Red Disinfected container plastic bags

Category 3 Microbiological

Category. 6 Soiled Dressing Blue/white Plastic bags, puncture proof containers Category. 4 Waste sharp

Category.7 Plastic disposable

Category. 5 Discarded medicine

Category. 9 Incineration ash

Category 10 Chemical Waste

Blue Plastic bags, puncture proof containers

Category. 4 Waste sharp

Category.7 Plastic disposable

Black

Category. 5 Discarded medicine

Category. 9 Incineration ash

Category 10 Chemical Waste

White, puncture proof containers

Category. 4 Waste sharp

Category.7 Plastic disposable

- Hazardous chemicals and radioactive waste management: chemicals are collected and disposed of along with water waste. Needle destroyers are used for needles in each department.
- Radiation Protection: Separate room of X-rays. Use of RVG to reduce the radiation exposure. The X-rays units are regularly checked. The staff is given batches and they are monitored regularly.

- **E-waste management:** We have separate contracts for disposal of hazardous material such as damaged parts of computers, TV, Printers, scanners, speakers, sound system and photocopy machines etc.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college organizes NSS unit quarterly for spraying of bleaching powder so as to prevent the occurrence of dengue and other diseases. Special camps were also organized for children of the slum dwellers. BDCH is empaneled with ESI and provides dental services at

subsidized rates. Since the onset of pandemic era college had activated COVID triage duty along with emergency treatment for the affected people under adequate safety protocols. During the lockdown necessary medication was distributed to the patients and staff members. The college has its own COVID testing Centre and Vaccination centre. The college has its own mobile dental van for regular organization of dental camp to provide free checkup for people and to increase awareness about the importance of dental treatment. BDCH has its own serology and hematology lab of the patients where all the lab investigations are done at charitable prices. On the occasion of International Yoga Day on 21st June 2021, a program was organized to spread awareness about importance of health. BDCH has taken a community initiative to collect blood for emergency requirements.

7.1.10 - The Institution celebrates/ organizes national and international commemorative days, events and festivals. Describe the efforts of the Institution in celebrating /organizing National and International commemorative days and events and festivals within 100 - 200 words

At BDCH, we try to inculcate the values of togetherness amongst our faculty members and students. Such practices uplift the institutional values and help in the holistic growth of the college. The days we celebrate together as an institute are various departmental days like Prosthodontics Day, Oral Surgery Day, Oral Pathology Day, Conservative Endodontics Day and National Public Health Dentistry Day so as to provide the students with appropriate knowledge of the department. We also celebrate various national days like Independence Day, Republic Day followed by flag hoisting in each to encourage and promote nationalism amongst our children. To promote the idea of sensitivity towards our patients we celebrate days like World Elderly Day and World Diabetes Day. Since we prefer holistic development of our students, we also prepare them for the future endeavor's by celebrating days like Blood Donation Day and World Oral Health Day, Tree Plantation Day, Vaccination Drive and Global Handwashing Day. We have also conducted program like Anti Ragging Lecture and National Toothbrushing Day. The festivals like Lohri, Diwali, Holi, Christmas are celebrated with great enthusiasm by organizing community celebration, community dinners and other fun and dance parties for students and staff.

7.2 - Best Practices

7.2.1 - Describe two Institutional Best Practices as per the NAAC format provided in the Manual (Respond within 100 - 200 words)

MULTIDISCIPLINARY APPROACH

Objectives of the Practice

1. To be in sync with contemporary standards/ advanced technology of teaching.
2. To enhance cognitive mode of learning.
3. As different dental specialities are interdependent of each other, literature of every subject from every aspect of dentistry.
4. The basic asset of multidisciplinary approach was to adopt modern means of teaching methodology with an amalgamation of all dental specialties into one room.

Curriculum Conclave

Objectives of the Practice- With an aim towards the vision of our college of fostering academic and professional excellence in all domains constant upgrade in curriculum and policies is one of the way forward to prepare students for skills and jobs of the future, and meet the current need of the market. The college has always been focusing on regular developmental plan for education and it keeps revisiting to tweak the quality of education.

The Practice- In Indian higher education system, the change in curriculum has been a major challenge since many years. It has been observed that the students who are under the process of learning in the current system and the environment have failed to realize the real world problems faced by dentistry.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution during the year in one area distinctive to its priority and thrust within 100 - 200 words

COVID TESTING CENTRE AND VACCINATION DRIVE

- COVID testing unit - it was set up to carry out COVID 19 tests. Special training was delivered to the staff to test symptomatic individuals for COVID 19, results of which were reported to the administration.
- Vaccination centre - it was also set up under which special training was provided to the faculty regarding storage of vaccine. Training session was also conducted to explain about the proper usage of vaccine. A follow up of half an hour was kept after each person received the vaccine.

8.1.2 - The Institution ensures adequate training for students in pre-clinical skills. Describe the steps taken to improve pre-clinical skills along with details of facilities available for students such as pre-clinical skill labs

Pre-Operative-

- We at Bhojia Dental College and Hospital, Baddi introduce the 2nd year students with the basic knowledge of pre-operative dentistry and skills necessary for adequate performance of intra-coronal cavity preparation.
- Foundation of the subject is laid with reviewing the dental anatomy and importance of pit and fissure and proximal contacts in relation to cavity preparation which is later applied by the students to apply correct nomenclature to caries classification, identify and name the restorative instruments and equipment and describe methods of caries assessment and treatment.
- For the same, we have a classroom designed with 30 phantom heads with working stations.
- Basic methods of infection control are followed during laboratory sessions. They are given the quota for cavity preparation followed by restoration on natural-size Typodont teeth in clinical simulation environment.
- Tests are regularly conducted to evaluate their practical skills according to set criteria.

8.1.4 - Orientation / Foundation courses practiced in the institution for students entering the college / clinics / internship. Describe in less than 100-200 words about Orientation for fresh students White coat ceremony Workshops on patient care (community skills, infection control, biomedical waste management, professional ethics) Internship orientation Any other

White Coat Ceremony

- This year white coat ceremony was held on 25.02.21 for a short time and Hippocratic Oath was recited and white coats were distributed to all the BDS first year fresher students.
- Principal Dr. Tarun Kalra, Chairman Mr. Vikram Bhojia and senior faculty members and 1st year teaching staff was present in the ceremony.
- During the ceremony, a white coat is placed on each student's shoulders and often the Hippocratic Oath is recited, signifying their entrance into the medical profession.

Orientation Programme

- As everybody was in fear COVID, a zoom meeting was conducted on 20.11.2020 to make students and their parents aware of the college rules and regulations.
- A brief introduction of the college and the various subjects taught was given by the principal.

Workshop on Patient Care

- One day workshop was held for the orientation of 3rd year BDS students before entering the clinics.
- The students were made aware of the infection control and biomedical waste management.
- Brief introduction of the clinical procedures in different departments was done.

Internship Orientations

- Orientations to the interns are done on the day of their posting in the respective departments.

8.1.8 - The Institution has introduced objective methods to measure and certify attainment of specific clinical competencies by BDS students/interns as stated in the undergraduate curriculum by the Dental Council of India.

• Report on the list and steps taken by the College to measure attainment of specific competencies by the BDS students/interns stated in the undergraduate curriculum during the year

Score (A- D)

Clinical Skill (Overall)

Infection control / behavior of the student during the procedure

A- Student didn't require advice and was able to complete the task by herself himself

Outcome achieved to an excellent standard where the treatment is minimally compromised by affordability, time or patient's wishes.

- Practiced the infection control protocol

- behavior was very professional

B- Student may have required advice and was able to complete the task by herself himself

Outcome achieved to a commendable level where the treatment is

minimally compromised by affordability, time or patient's wishes.

- Practiced the infection control protocol
- behavior was very professional

C- Some help was required by the student to complete the task and avoid further damage

Outcome achieved the minimal acceptable standard, below which there is a chance of potential damage to the patient.

- Just acceptable

D- Instructor had to take over and complete the task on behalf of the student

Unsatisfactory outcomes as a result of treatment which has already caused damage to the integrity of the pulp, surrounding healthy tissues, adjacent tooth (where applicable) or will cause problems or in

future.

- Not acceptable

8.1.10 - The College has adopted methods to define and implement Dental graduate attributes with a system of evaluation of attainment of such attributes.

Dental graduate attributes as:

Dental graduate training is done to make them competent in -

- Educate and motivate the public in oral health maintenance
- Utilize the recent diagnostic aids and interpret data which will aid inaccurate diagnosis
- Preventive Dentistry
- Interceptive procedures to reduce the severity of oral healthcare

The evaluation methods are hereby mentioned below:

1. Professionalism and ethics:

Evaluation method - The undergraduates are strictly monitored for abiding by the time for clinics/labs and didactic lectures. The

policy of beneficence and do not harm, inculcated during the orientation program.

2. Simulation of clinical exercises:

Evaluation - The students are made to do preclinical work on typhodont simulation labs prior to treating patients.

3. Clinical knowledge and its acumen:

Evaluation: After each clinical posting, the student is assessed for clinical expertise by means of so-called end posting exams.

4. Research skills:

Each undergraduate student is made to do original research under the mentorship of respective teachers.

5. Social responsibility:

Green campus is the way of life at our institute. Biomedical waste is disposed as per the norms of WHO guidelines.

6. Project Based learning approach:

Students are encouraged to make projects on given topics on regular basis.

8.1.12 - Establishment of Dental Education Department by the College for the range and quality of Faculty Development Programmes in emerging trends in Dental Educational Technology organized by it.

Faculty development is one of the core areas of any educational institution. Developing countries are technically far behind the developed countries in the areas of recent advancements in the fields of science and technology. Faculty is updated time to time with recent developments in fields of dentistry and medicine. College organizes various CDE programme and workshop to enhance technical skills. CDE's on trouble shooting endodontics, problem solving in endodontics, caries management by risk assessment (CAMBRA) and workshop on sinus floor elevation were organized in this year.

Due to COVID 19 restrictions less number of CDE programmes were organized in past two years. Management has been extremely supportive for organization of the CDE and updating the knowledge of faculty and budding students. Good number of students with great enthusiasm participate in these programmes.
