

Teaching Hospital, equipment, clinical teaching learning and laboratory facilities as stipulated by the respective Regulatory Bodies

The BDCH has dental OPD with an average footfall of 300-400 patients. The College has been approved by Dental Council of India for undergraduate course (BDS), post-graduation (MDS) in six speciality courses and diploma courses (dental hygienist and dental mechanics). The institute is committed to provide the best quality of education comparable to the best institutes in India and Abroad. To fulfil this commitment, the institute has upgraded its simulation lab with high fidelity mannequins like pre-clinical conservative, prosthodontics etc. with proper head stimulation. Before subjecting the students to actual patient care, they are trained in the simulated environment, which helps them to not only learn academics but also develop clinical skills and ethics. All the pre and paraclinical departments have their own laboratories for undergraduate and postgraduate teaching with the best equipment at par with any other premier institute of the country. All the lecture theatres, laboratories, demonstration halls are equipped with ICT facilities like projectors with state-of the-art facility to project live images, which helps in effective demonstration and teaching in a large group. Reflective learning by hands-on-training and experiments enhances learning abilities of the students. Research lab, serology lab, haematology lab, microbiology lab, pathology lab, biochemistry lab, and histology lab are functional in the institute. The institute also provides embalming facility for cadaver. BDCH also provides proper dental radiological section with OPG, dental X-Ray unit machine and RVG equipment's. All speciality departments are well equipped to provide quality healthcare services to the patients. All departments are well equipped with all the latest equipment as

per the requirement of Dental Council of India. The clinical teaching utilises principles of simulation based, problem based and evidence-based learning. Clinical teaching is carried out in small groups of 10 students posted in different clinical departments. Case based discussions with faculty helps in enhancing practical skills of the students. Seminars and tutorials using Audio Video facilities help in further clarification of the concepts. In order to promote the practice of evidence-based medicine, each department organizes journal clubs/seminars/group discussion/case presentation as part of the undergraduate as well as postgraduate teaching programme. The post graduate and research projects are primarily targeted at developing an evidence-based management of patients. Hence, BDCH has achieved quality in healthcare teaching and promises to continue towards gaining excellence in providing best health education facilities and ultimately to take care of the healthcare needs of the country.

RESEARCH GRANT

BHOJIA DENTAL COLLEGE & HOSPITAL

BUDH (BADDI), TEH. NALAGARH, DISTT. SOLAN (HP) PIN 173205

Ph. (01795) 244721, 246921

Ref No. BDCH/BHUD/ 2039-A

Date: 14.12.2016

NOTICE

As one of the requirements for the partial fulfilment of the degree of master of dental surgery, all the post graduates (MDS) students are supposed to submit a dissertation. To encourage the research activities amongst the students and faculty, the management of Bhojia Charitable trust has decided to give 50% discount on materials/ radiographs required for research activities of such nature.

In this context, it has been decided that following post graduate students will receive the grant as per their requirements:

Department of Orthodontics

Dr. Karendeep Kaur

Department of Pedodontics

Dr. Neha Verma

Department of Endodontics

Dr. Arushi Dogra

For Bhojia Dental College & Hospital

BUDH (BADDI), TEH. NALAGARH, DISTT. SOLAN (HP) PIN 173205

Ph. (01795) 244721, 246921

Ref No. BDCH/BHUD/ 24387

Date: 12.12.2017

NOTICE

As one of the requirements for the partial fulfilment of the degree of master of dental surgery, all the post graduates (MDS) students are supposed to submit a dissertation. To encourage the research activities amongst the students and faculty, the management of Bhojia Charitable trust has decided to give 50% discount on materials/ radiographs required for research activities of such nature.

In this context, it has been decided that following post graduate students will receive the grant as per their requirements:

Department of Endodontics

Dr. Navtej

Department of Periodontics

Dr. Rajneesh Parimoo

Department of Prosthodontics

Dr. Meghna Chopra

Dr. Udey Singh Wirring

For Bhojia Dental College & Hospital

BUDH (BADDI), TEH. NALAGARH, DISTT. SOLAN (HP) PIN 173205

Ph. (01795) 244721, 246921

Ref No. BDCH/BHUD/ 958-₱

Date: 17.12.2018

NOTICE

As one of the requirements for the partial fulfilment of the degree of master of dental surgery, all the post graduates (MDS) students are supposed to submit a dissertation. To encourage the research activities amongst the students and faculty, the management of Bhojia Charitable trust has decided to give 50% discount on materials/ radiographs required for research activities of such nature.

In this context, it has been decided that following post graduate students will receive the grant as per their requirements:

Department of Orthodontics

Dr. Beena Kar

Dr. Anindita Malik

Dr. Neha Stan

Dr.Pooja Vyas

Dr.Amita

For Bhojia Den al College & Hospital

BUDH (BADDI), TEH. NALAGARH, DISTT. SOLAN (HP) PIN 173205

Ph. (01795) 244721, 246921

Ref No. BDCH/BHUDI 2475-A

Date: 16.12.2019

NOTICE

As one of the requirements for the partial fulfilment of the degree of master of dental surgery, all the post graduates (MDS) students are supposed to submit a dissertation. To encourage the research activities amongst the students and faculty, the management of Bhojia Charitable trust has decided to give 50% discount on materials/ radiographs required for research activities of such nature.

In this context, it has been decided that following post graduate students will receive the grant as per their requirements:

Department of Orthodontics

Dr. Nikita

Dr. Ashwin

Department of Periodontics

Dr. Vasundhara Kumari

Dr. Divya

Dr. Vanshika

Dr. Abhinav Bhaskar

Dr. Manisha Rani

For Bhojia Dental College & Hospital

ESTU 2021®

LETTER OF EXCELLENCE

To,

Prof. Dr. Arpit Sikri

On behalf of the entire team of NEXT-DEN-GEN, 1 would like to express our sincere admiration for your's outstanding efforts in the Dentistry. We appreciate everything that you have done over the past several years since you have joined Dentistry.

The endless hours you have spent working for Dentistry, and the professionalism you have shown, have immensely motivated the entire Dental Fraternities, Dental clinicans and Dental students at National level and International level.

We pride ourselves on your hard work and dedication for taking Ventistry to next level. As always, we are counting on you to go the extra mile.

Thank you once again for all your contributions.

Department of Chemistry, H.P. University, Shimla, Himachal Pradesh, India The Dental Journal of Advance Studies is an official publication of the Himachal Pradesh University, it is maintained and operated by the Bhojia Dental College and Hospital, Baddi.

Since its inception in 2013, the journal has been providing a platform for dental professionals to publish articles across all fields of dentistry. It aims to stimulate debate and discussion amongst dentists from all specialities.

The journal is a double-blinded peer-reviewed, Open Access, multidisciplinary journal addressing various aspects of dentistry. The journal is published tri annually. Being a university journal, it has been awarded 10 points by the DCI for academic promotion point system for post graduate faculty.

All the publications adhere to the guidelines laid down by ICMJE and it is ensured that the content is free of plagiarism.

Our continued efforts to ensure success of the journal will include the publication of the journal by Jaypee Publishing Group from the year 2023 under the able guidance of Editor in Chief Dr. Tarun Kalra.

The editorial board comprising of eminent academician's and clinicians from all over India and abroad help moderate and maintain the high standing of the journal. The reviewer board for the journal brings together the best minds from various fields of dentistry to provide meaningful content for the benefit of the reader. The publisher ensures that the quality of the print journal is of the highest standards.
