Measures initiated by the Institution for the promotion of gender equity during the year.

Measures initiated by the institution for the promotion of gender equity during the last five years: Women are recognised and celebrated for playing various roles in different spheres of life. The world is moving towards gender equality. A change is required to take a concrete step to help achieve gender parity more quickly - whether to help women and girls achieve their ambitions, call for gender-balanced leadership, respect and value difference, develop more inclusive and flexible cultures or root out workplace bias. • 8th March, considered as International Women's Day. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honor, loved and admired. In the Bhojia Dental College and Hospital, this day is celebrated not less than any other Indian festival.

- Specific facilities are provided for women in terms of:
