BHOJIA

VISION

- To open and maintain educational, professional, Medical/Dental and other Paramedical institutions including Charitable hospital, nursing home and dispensaries for the benefit of suffering humanity and needy public.
- To spiritually and professionally guide the students so that they can provide quality Dental and Medical Healthcare with strong professional ethics.
- To give financial aid and support to carry on any social, cultural, national and general welfare activities for the benefit of the public without any distinction of caste and creed.

MISSION

- To be established as the best educational and research institute for the students and as a world class treatment centre for the community.

DENTAL & MEDICAL HOSPITAL

Dental Hospital was started in 1998 and is fully equipped with the latest state of the art equipments for the treatment of Dental patients. Dental check-up camps are organized in the nearby villages, industries, community places, school etc on regular basis by experienced & well qualified doctors, interns and auxiliary staff. For medical facilities, there is on campus ESI dispensary with all basic facilities. For clinical training, our college is attached with 100 bedded Civil Hospital, Nalagarh.
